State of Education
In Ohio, each child is challenged, prepared and empowered.

**Vision**
In Ohio, each child is challenged to discover and learn, prepared to pursue a fulfilling post-high school path and empowered to become a resilient, lifelong learner who contributes to society.

**One Goal**
Ohio will increase annually the percentage of its high school graduates who, one year after graduation, are:
- Enrolled and succeeding in a post-high school learning experience, including an adult career-technical education program, an apprenticeship and/or a two-year or four-year college program;
- Serving in a military branch;
- Earning a living wage; or
- Engaged in a meaningful, self-sustaining vocation.

**Three Core Principles**
- **Equity**
- **Partnerships**
- **Quality Schools**

**Four Learning Domains**
- **Foundational Knowledge & Skills**
  - Literacy, numeracy, and technology
- **Well-Rounded Content**
  - Social studies, sciences, languages, health, arts, physical education, etc.
- **Leadership & Reasoning**
  - Problem-solving, design thinking, creativity, information analytics
- **Social-Emotional Learning**
  - Self-awareness & management, social awareness, relationship skills, responsible decision-making

**10 Priority Strategies**
1. Highly effective teachers & leaders
2. Principal support
3. Teacher & instructional support
4. Standards reflect all learning domains
5. Assessments gauge all learning domains
6. Accountability system honors all learning domains
7. Meet needs of whole child
8. Expand quality early learning
9. Develop literacy skills
10. Transform high school/provide more paths to graduation

How Things Work at the Ohio Statehouse

Presented by Rachel Coyle
Bullet points so Rachel doesn’t forget her intro:

- DON’T WORRY about memorizing this info or the links. We’ll email everything to you!
- DON’T WORRY if you haven’t paid attention to the Statehouse before. This is the perfect year to start.
- In many ways, state legislatures are THE SINGLE most impactful branch of government.
  - Reason #1: Gerrymandering. State legislators pick your Congress members.
Who needs Congress when you can pass the same bill through 40+ state legislatures at once?
REMEMBER:

• You have SO MUCH POWER at the state level.
  • Why? Because hardly anyone contacts their state legislators.

• It DOES NOT take very many people to make noise at the Statehouse.
  • Use this power. If you don’t, someone else will.
WHAT WE’LL COVER TODAY:

● Statehouse Basics

● How a bill becomes a law in Ohio
  (and what you can do about it)

● Resources!!

● Some Key Bills to Know

● Q&A
STATEHOUSE BASICS – TERMS

• TERM TO KNOW: “General Assembly” or “G.A.”
  • The Statehouse operates in 2-year terms called G.A.s
  • Any bill that doesn’t pass by the end of the G.A. dies and has to be reintroduced next G.A.
  • Current G.A = January 1, 2023 - December 31, 2024

• TERM TO KNOW: “Lame Duck”
  • The majority party tends to save the most controversial bills for the “Lame Duck” session.
  • Next Lame Duck Session? Mid November – End of December 2024

• TERM TO KNOW: “Session”
  • The time of year when legislators are working, AND the times they’re actually in the chamber voting on bills.
TERM TO KNOW: “Supermajority”

Ohio Senate has 33 senators.
26 Republicans – 7 Democrats.

Ohio House has 99 members.
67 Republicans – 32 Democrats.
THINGS YOU CAN DO WITH A SUPERMAJORITY

**Veto Overrides** — The Ohio Constitution usually requires a 3/5 vote of each house to override a veto.

**Emergency Clauses** — The emergency clause is voted on separately by the legislature and requires an affirmative vote of 2/3 of the members of each house.

**Speed up the bill process** — The Ohio Constitution requires a bill to have 3 considerations on 3 different days by each chamber. The 3-day rule may be suspended by a 2/3 majority vote by the members of the chamber considering the bill.
Statehouse Leadership

**Majority (R)**
- Matt Huffman
  - District 12  |  R

**Minority (D)**
- Nickie J. Antonio
  - District 23  |  D

- Jason Stephens
  - District 93  |  R

- C. Allison Russo
  - District 7  |  D
House Leadership Drama

District 42 | R
• **Step 1:** A bill is introduced.

• It can be introduced in either the House or Senate.
  • Sometimes it’s introduced in the House AND Senate.

• Bills are numbered in order of introduction.
  • So HB 1 was the first bill in the House this G.A.
  • Bills keep their same name and number throughout the entire two-year term. So HB 1 will STAY HB 1 when it goes over to the Senate.
How a Bill Becomes a Law in Ohio
(And What You Can Do About It)

• Step 2: Once a bill is introduced, it’s assigned to a committee.

• Action Item: Contact committee chairs.
  • Ask to be placed on their “committee notice list.”

HOW A BILL BECOMES A LAW IN OHIO (AND WHAT YOU CAN DO ABOUT IT)

- **Step 3:** Bills (usually....) Get Hearings.
  - Committee hearings (normal process):
    - 1st hearing – sponsor testimony
    - 2nd hearing – proponent testimony (supporter)
    - 3rd hearing – opponent/interested party testimony
  - But the number of hearings can change!

- **ACTION ITEM:** Demand hearings for good bills!
- **ACTION ITEM:** Slow down bad bills!
YES. I SAID CALL.

• It’s not like calling Congress. They aren’t taking down your information.

• **Remember:** You’re not talking to the legislator. You’re talking to their overworked, underpaid aide. Be nice!
  
  • Each state rep only has 1 aide.
  
  • Each senator only has 2 aides.
  
  • Build a relationship.

• And they WILL get your messages. **There’s only 1 phone line per legislator.**
  
  • So you’re calling the same number the legislators call…. 
IMPORTANT:

- At the Statehouse level, you CAN call legislators in districts where you do not live. Some Examples:
  - You can call committee chairs and say, “I’m calling about this bill in your XXXXXX Committee.”
  - You can also call the Senate President, House Speaker, or the Majority Floor Leader (person who sets the voting agenda).
- But it will always be MOST effective to call your own legislator.
  - So if you are calling your own legislator, let them know!
TESTIFYING IN COMMITTEE

• Come testify for/against bills at the Statehouse!
  • GOAL: Testify in person.

• Please TRY TO present your testimony in person whenever possible. BUT....
  • Can’t testify in person? You can also submit written-only testimony.
HOW TO SUBMIT TESTIMONY
(IN-PERSON OR WRITTEN-ONLY!):

STEP 1: Write your testimony.

STEP 2: Email your (written or in-person) testimony to the Committee Chair. 24 hours in advance.

STEP 3: Email a completed “Witness Slip” form along with your testimony.

• If you’re submitting written-only testimony, that’s it. You’re done!
• If you’re testifying in person, all that’s left is to show up!
WHAT MAKES GOOD TESTIMONY

• Short and sweet!!
  • If there’s a lot of testimony, you’ll likely be limited to 2-3 minutes. Make them count.

• Consider your audience
  • Think of your most conservative relative. That’s your audience.
LIVE BROADCASTS OF COMMITTEE HEARINGS

• You can watch all House and Senate Sessions AND all committee hearings live on OhioChannel.org – it’s free!

• The videos are also archived on the site!
• Once a bill passes out of committee, it needs to receive a full floor vote.

• Some bills get through committee but never get to the floor.
SO A BILL GETS A FLOOR VOTE....

• If it passes one chamber (the House or the Senate), it then has to go through the full process in the other chamber.

**SUMMARY**

**STATE INSTITUTIONS OF HIGHER EDUCATION**

Diversity, equity, and inclusion (DEI), intellectual diversity, and other concepts

**Policy**

- Requires state institutions of higher education to adopt and enforce a policy requiring the institution to:
  - Prohibit any mandatory programs or training courses regarding DEI, except that a state institution may receive an exemption if such a program or course is required for certain specified purposes;
  - Affirm and declare a primary function to the pursuit of knowledge;
  - Affirm and declare that the institution will ensure full intellectual diversity;
  - Demonstrate intellectual diversity for course approval, approval of general education courses, student course evaluations, common reading programs, annual reviews, strategic goals for each department, and student learning outcomes;
  - Seek out invited speakers who have diverse ideological and political views;
  - Post a complete list of all speaker fees, honoraria, and other emoluments in excess of $500 that are sponsored by the state institution prominently on its website.

- Requires each state institution's policy to affirm and declare that the state institution will not:

Sec. 1715.551. (A) As used in this section:

(1)(a) "Benefactor representative" means either of the
following:

(i) The administrator or executor of a person’s estate;

(ii) A person designated in an endowment agreement,
whether or not born or existing at the time of such designation,
in a party to the agreement for the purpose of
resolving disputes about the agreement, including without
limitation, its validity, interpretation, performance,
enforcement, and any action that it contemplates.

(b) "Benefactor representative" does not mean the state,
institution of higher education receiving or administering
property under an endowment agreement or any person designated
by such state institution of higher education for any purpose.

(c) A benefactor representative named in an endowment
agreement shall be the only benefactor representative for
purposes of this section, regardless of the existence of an
administrator or executor of a person’s estate.

(2) "Endowment agreement" means a gift instrument, signed
by a person and a state institution of higher education under
which the person commits to transfer property to that or another
state institution of higher education and the state institution
of higher education commits that it or another state institution
of higher education will hold or administer the property as an.
How to read a bill:

- **Crossed-out text** = language this bill would remove from the law

2005, and seventeen trustees beginning in 2006, who shall be appointed by the governor, with the advice and consent of the senate. Two of the seventeen trustees shall be students at the Ohio state university, and their selection and terms shall be in accordance with division (B) of this section. Except:

(1) For trustees appointed prior to January 1, 2024, except as provided in division (B) of this section and except for the terms of student members, terms of office shall be for nine years, commencing on the fourteenth day of May and ending on the thirteenth day of May.

(2) For trustees appointed on or after January 1, 2024, except for the terms of student members, terms of office shall be for four years, commencing on the fourteenth day of May and ending on the thirteenth day of May.

Each trustee shall hold office from the date of appointment until the end of the term for which the trustee was appointed. Any trustee appointed to fill a vacancy occurring prior to the expiration of the term for which the trustee's predecessor was appointed shall hold office for the remainder of such term. Any trustee shall continue in office subsequent to the expiration date of the trustee's term until the trustee's successor takes office, or until a period of sixty days has elapsed, whichever occurs first. No person who has served a full nine year term or more than six years of such a term shall be eligible for reappointment until a period of four years has elapsed since the last day of the term for which the person previously served. The trustees shall not receive compensation for their services, but shall be paid their reasonable necessary expenses while engaged in the discharge of their official duties.

Some of the Most Controversial Bills This GA (so far)

Senate Joint Resolution 2 (SJR 2)

- Allow just 41% of voters to kill constitutional amendments
- Require signatures from all 88 Ohio counties, instead of the current 44 counties (tough to do unless you’re a well funded campaign....)
- Remove the 10-day “cure period” Ohioans currently have to collect additional signatures if they fall short

SJR 2 is the resolution that became Issue 1 in an illegal August election in 2023....
Some of the Most Controversial Bills This GA (so far)

- **SB 83 and HB 151** — Bans courses/curriculum from colleges and universities + bans public workers from striking + much more

- **HB 11 and SB 11** — Universal vouchers — passed in the state budget

- **SB 1 and HB 12** — Shift nearly all power away from Ohio’s elected State Board of Education and the Dept. of Education and gives it to a governor appointee — Passed in state budget. Board members are suing.

- **HB 68** — Trans youth affirming care ban + trans youth sports ban

- **SB 14** — Allows military veterans to serve as teachers without a teaching license

- **HB 240** — Allows public schools to use “chaplains” as unlicensed school counselors

- **HB 103** — Social studies “task force” to implement far-right “American Birthright” standards

- **HB 206** — Endless consecutive suspensions even if student doesn’t qualify for expulsion

- **HB 267** — Would make State Board of Education elections AND local school board elections partisan

- **HB 245** — Criminalizes public drag performances. Some types of performances would be felonies
YOU HAVE SO MUCH POWER AT THE STATEHOUSE LEVEL!!

Examples of Recent Activist Wins:

- NONE of the book ban bills became law last term!
- NEITHER of the major attacks on trans youth become law last term!
- We banned revenge porn
- We banned life imprisonment without possibility of parole for children under 18
- We’ve helped pass several criminal justice reforms — like expanding Ohio’s Good Samaritan law and decriminalizing fentanyl drug testing strips
- We helped secure Workers’ Comp for first responders with PTSD
- We stopped a Medicaid expansion freeze in 2018 — and it hasn’t returned
- We killed Derek Merrin’s “Scrooge Act”
- We’ve stopped THREE attempts to kill citizen ballot initiatives — 2018, 2022, AND 2023 (at the ballot)
